

Department of Veterans Affairs

§ 17.241

subject to the availability of appropriations or reimbursements, may authorize VA facilities to enter into contracts with private facilities for the provision during such period of hospital care and medical services for certain veterans. These veterans include only those who are receiving hospital care under 38 U.S.C. 1710 or, in emergencies, for those who are eligible for treatment under that section, or who are receiving care under 38 U.S.C. 1712 (f) and (g). This authorization pertains only to circumstances in which VA facilities are not capable of furnishing or continuing to furnish the care or services required because of the furnishing of care and services to members of the Armed Forces.

§ 17.240 Sharing specialized medical resources.

Subject to such terms and conditions as the Under Secretary for Health shall prescribe, agreements may be entered into for sharing medical resources with other hospitals, including State or local, public or private hospitals or other medical installations having hospital facilities or organ banks, blood banks, or similar institutions, or medical schools or clinics in a medical community with geographical limitations determined by the Under Secretary for Health, provided:

(a) The agreement will achieve one of the following purposes: (1) It will secure the use of a specialized medical resource which otherwise might not be feasibly available by providing for the mutual use or exchange of use of specialized medical resources when such an agreement will obviate the need for a similar resource to be installed or provided at a facility operated by the Department of Veterans Affairs, or

(2) It will secure effective use of Department of Veterans Affairs specialized medical resources by providing for the mutual use, or exchange of use, of specialized medical resources in a facility operated by the Department of Veterans Affairs, which have been justified

on the basis of veterans' care, but which are not utilized to their maximum effective capacity; and

(b) The agreement is determined to be in the best interest of the prevailing standards of the Department of Veterans Affairs Medical Program; and

(c) The agreement provides for reciprocal reimbursement based on a charge which covers the full cost of the use of specialized medical resources, incidental hospital care or other needed services, supplies used, and normal depreciation and amortization costs of equipment.

(d) Reimbursement for medical care rendered to an individual who is entitled to hospital or medical services (Medicare) under subchapter XVIII of chapter 7 of title 42 U.S.C., and who has no entitlement to medical care from the Department of Veterans Affairs, will be made to such facility, or if the contract or agreement so provides, to the community health care facility which is party to the agreement, in accordance with:

(1) Rates prescribed by the Secretary of Health and Human Services, after consultation with the Secretary of Veterans Affairs, and

(2) Procedures jointly prescribed by the Secretary of Health and Human Services and the Secretary of Veterans Affairs to assure reasonable quality of care and service and efficient and economical utilization of resources.
